

GROUNDWORK

IN GREATER MANCHESTER

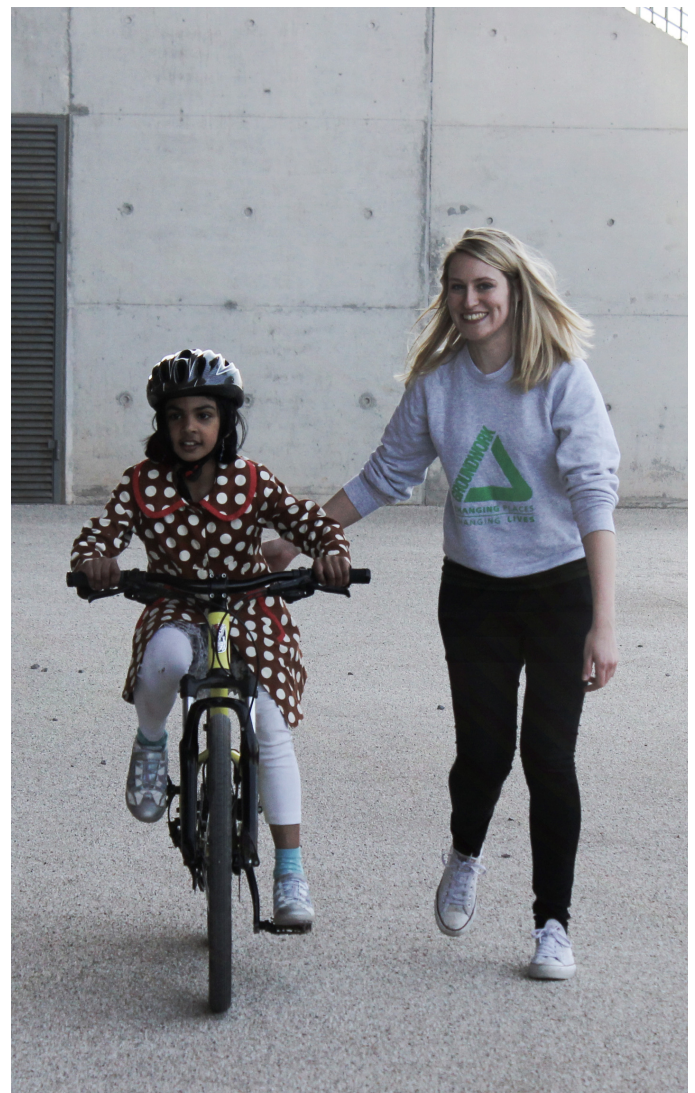

OUR VISION:

A Greener, More Resilient City Region with Stronger, Healthier Communities, Responsible Businesses & Enhanced Prospects for all Local People

We will work to create a sustainable and resilient future for people, places and businesses in Greater Manchester by delivering a range of high quality services and by championing a multi-sector partnership approach.

We specialise in the following services and are committed to creating added social value through our delivery:

- **Community engagement**
- **Landscape design & build**
- **Training & coaching for employment**
- **Early intervention to support health & wellbeing**
- **Safe & sustainable business support**

“Groundwork's creativity and flexibility ensured we found a good match between our goal and achieving something meaningful for the community involved.”

Antony Roberts, Group Marketing Manager, Gradus

OUR VALUES:

Groundwork in Greater Manchester supports communities to make a difference where it's needed most; and together we work to improve and protect the local environment that we share.

We are collaborative, show integrity and strive for quality in everything we do.

BY 2023 WE WILL DELIVER FOR GREATER MANCHESTER:

- **1000** community groups provided with advice, funding and practical support.
- **1200** Greater Manchester businesses supported to reduce their impact on the environment or increase their commitment to the community.
- **1500** people supported into employment, education or training, with a particular focus on ex-offenders, veterans, care leavers and NEET young people.
- **450** hectares of green space created or improved – that's equivalent to more than **750** football pitches!
- **3,500** young people inspired and supported to learn, achieve and develop as more active citizens.
- At least **5000** people of all ages mobilized to give time to social action in their local communities.
- **4,500** vulnerable households helped to save money on their bills or stay warm and well in their homes.

GROUNDWORK IN GREATER MANCHESTER 2018-2023

GREENER & MORE RESILIENT CITY

- A major partner in creating & enhancing our green & blue infrastructure to the benefit of Greater Manchester's communities
- Recognised across Greater Manchester as the lead organisation for the delivery of domestic energy advice
