

STOCKWELL

LEAP

# EARLY YEARS FORUM

LEAP early years forums are spaces for local families and residents to come together and talk about what is needed to go from **'what's wrong'** to **'what's strong'** in the community for families.

What LEAP families have told us so far...

**'We want local activities where the whole family can go, including families with children with disabilities.'**

**'We need low to no cost local activities all year round.'**

## Community Fund

We will also share news about plans for a local community fund. The fund should be seen as 'seed' money to help 'grow' your ideas for creating safer and healthier spaces for families.

Have your say on the day:

**Monday 15 July 2019**  
**10:00am – 12:00pm**

**Stockwell Community Centre**  
**1 Studley Rd, London**  
**SW4 6RA**

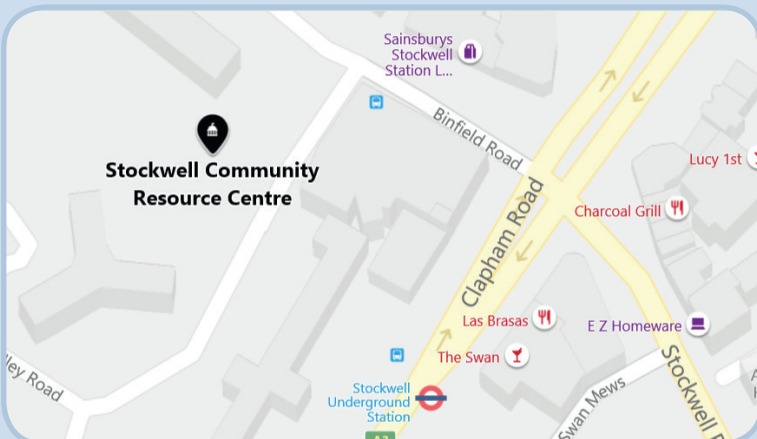

## Timetable

**10:00am - 11:00am: Will artificial intelligence take over my life? - Workshop for parents**

**11:00am - 12:00pm: Community Conversations**

**Refreshments and crèche will be provided!**
