

TULSE HILL

EARLY YEARS FORUM

LEAP early years forums are spaces for local families and residents to come together and talk about what is needed to go from **'what's wrong'** to **'what's strong'** in the community for families.

What LEAP families have told us so far...

'We need low to no cost local activities all year round.'

'We want local activities where the whole family can go, including families with children with disabilities.'

Have your say on the day:

Tuesday 23rd April

11am – 1pm Early Years Forum
1pm – 2pm Community Lunch (Free)

**Tulse Hill Adventure Playground,
Greenleaf Close, SW2 2EY**

Next dates:
Tuesday 6th August
Tuesday 8th October

Community Fund
We will also share news about plans for a local community fund. The fund should be seen as 'seed' money to help 'grow' your ideas for creating safer and healthier spaces for families.

Crèche provided for children under 4.
