

# SUPPORTED INTERNSHIPS PROGRAMME 2020

Supported internships prepare young people, like you, with the skills you need in the workplace!

Our Programme lasts for up to 12 months and focuses on each person and their specific learning needs. We will develop an individualised plan focused specifically on your career goals and vocational interests

Our Supported Internships programme is a structured study programme based primarily in the workplace

We at Groundwork strive to enable young people aged 16-24 with a statement of SEN or an Education,

Health and Care plan, to achieve sustainable paid employment by equipping interns with the skills needed for work, through learning in the workplace

Our programme includes the chance to study for a range of qualifications, including:

- > NOCN Level 1 Horticulture
- > NOCN Level 3 Employability
- > Entry Level 1 and 2 English and Maths

Gain the confidence you need to prosper in the workplace and learn to manage your time and deal with stress and conflict in a proactive way

***You will be part of a team that is making a difference!***
