NAVIGATOR MOTW (Employment Support Advisor)

Who are we?

Our vision at Groundwork North East & Cumbria is of a society of sustainable communities that are vibrant, healthy and safe, who respect the local and global environment and where individuals and enterprise prosper.

Our mission is to inspire people and deliver positive sustainable change in places of need across the North East & Cumbria. To achieve our aim we work with passionate individuals, proactive public services and innovative businesses.

Our programmes and services are tailored to the needs of partners in each locality and every year Groundwork makes an incredible difference to disadvantaged communities, helping find practical solutions to the challenges they face. We provide training and create jobs, reduce energy and waste, reconnect people with nature and transform whole neighbourhoods. We are passionate about changing places and lives for the better and when all that local activity is added together, it becomes a major force for regional change.

With over 200 staff across the North East, and over 30 years experience, we are always keen to hear from people with the drive and determination to make a difference, and have lots of ways you can get involved. Many of our senior managers and executive team began their careers as volunteers or project managers. By providing a range of training and continuous professional development opportunities at the local, regional and national level we are able to recruit and retain the very best.

We want you to be yourself at Groundwork and value everything that makes you unique. We recognise and celebrate people's differences and together we make Groundwork a great place to work. Groundwork are committed to safeguarding and protecting the welfare of children, young people and vulnerable adults, and expect all staff and volunteers to share this commitment.

What are we looking for?

We are looking for a highly organised, enthusiastic individual to join our *Moving On Tyne & Wear* programme, within the role of Navigator.

In this pivotal role, you will manage a caseload of *Moving On Tyne & Wear* participants and provide them with 1:1 support, helping them overcome barriers to employment and training.

We are seeking someone to be responsible for comprehensive assessment and action planning of participants - able to assess motivation and barriers to employment. Working closely with participants, Navigators are responsible for supporting their client through every stage of the journey, addressing barriers preventing engagement and introducing activities to support their progression.

Moving On Tyne & Wear promotes the importance of social, environmental and financial sustainability. It is therefore the responsibility of all members of staff working on the programme to ensure resources are used efficiently with minimum wastage throughout their daily activities.

Like us, you will love North East England and want it to thrive. You will be keen to learn and work as part of a team, and be enthusiastic for charity initiatives and the role of benefiting communities.

What difference will you make in the role?

- You will be committed to our purpose, values and mission
- You will meet agreed performance targets
- Present a professional image of *Moving On Tyne & Wear* at all times
- Work with referral partners to promote *Moving On Tyne & Wear* to the targeted participants
- Support participants to access resources and services to increase their employability, and help them achieve their goals
- Integrate, share knowledge and spread best practice with other Navigators, staff and partners within the *Moving On Tyne & Wear* programme
- Maintain participant confidentiality at all times
- Be prepared to work creatively and flexibly, which may occasionally include evening and weekend work
- Work as part of a team, attend team meetings and participate in staff training and development

Who will you be working for and with?

You will report to our Team Leader who is responsible for the management of a team of Navigators, MI & Quality Officer and an Administrator.

Groundwork is an organisation where everyone works together, works hard and takes collective responsibility - striving to make a difference to our local communities. As part of our *Moving On Tyne & Wear/Youth, Employment & Skills team* your role in supporting growth and sustainability of our business is key.

You will work with other Navigators and local delivery teams across a range of specialisms, including communities, education, health or well-being; and energy, waste reduction, environmental enhancement or landscape improvement.

You will coordinate with external partners and funders such as corporate or statutory bodies e.g. local authority or government, and also not-for-profit/voluntary bodies.

What will your duties and responsibilities be?

- >> You will undertake participant eligibility checks for all referrals
- >> Carry out a comprehensive initial assessment with all participants
- >> Develop an action plan with each participant, identifying barriers and agreeing measures to overcome these barriers through clear goal setting
- >> Regularly review the progress of participants using the 'Outcome Star Tool' or a similar model
- >> Manage a participant caseload and review ongoing progress, liaising closely with the full range of specialist partners as appropriate
- >> Work in partnership and carry out joint key working, in order to achieve improved outcomes for participants
- >> Provide information, advice and guidance, and support participants with job search, CV writing, job applications and mock interviews
- >> Work with participants to address barriers towards engagement, referring to specialist partners where required
- >> Promote volunteering opportunities through partners, as a stepping stone to training and employment
- >> Identify appropriate employment and training opportunities for designated participants
- >> Promote participants to employers, and assist in the placement of participants into jobs
- >> Promote participants to colleges and training providers, and assist in the placement of participants into further education and training
- >> Provide ongoing support to participants once they have been placed into employment to ensure sustainability
