CHANGING PLACES
CHANGING LIVES

GET THE SKILLS YOU NEED FOR THE CAREER YOU WANT

Groundwork Traineeships help young people aged 16-18 gain the skills and experience they need to get an apprenticeship or a job in the future.

We work with a wide range of established companies to create a programme that is designed to meet your needs. This means that you'll gain knowledge and valuable experience within a workplace in your chosen field.

Traineeships are currently available in: Chorley, Leigh, St Helens, Warrington and Wigan.

- **Free 16-week course**
- **Math's and English qualifications**
- **Free Bus Travel**
- **Bursaries available** (subject to availability)

START YOUR TRAINEESHIP.

16 WEEK PLACEMENT

At the start of the programme, your mentor will chat with you about the type of work you'd like to gain experience in. They'll then look to match you with a placement in your chosen field. Full-time placements are provided, with optional English/Maths functional skills for one day per week in college (if required).

1 to 1 MENTORING

Mentors will provide you with 1:1 support. They will arrange weekly visits to monitor your progress and will be available for you to contact at any time during your placement.

IT'S FREE, WITH ADDED BONUSES

The great news is that it won't cost you anything to attend this course. We'll pay your travel costs and you'll also get the chance to receive a bursary and incentives.

Your placement won't affect any benefits you are receiving.
