

THE GRYPHON PROGRAMME

- Are you male, unemployed & aged between 17 & 30?
- Are you from North or East Belfast?
- Are you interested in learning how to grow plants & food?

If you answered yes to all of the questions, then you can apply to join the Gryphon Programme

What is the Gryphon Programme?

The Gryphon Programme provides:

- Training to grow plants and food
- Support to gain an OCN qualification in horticulture
- Resilience & mental health first aid training

*ICT and financial support will be available.

If you are interested in joining the Gryphon Programme please contact Heather Pollock
