How soon after this funding award will the project start? We would like this to be within 3 months.	
Once started, will the project complete within 12 months?	

Avison Young Community Fund Priorities

Applications for this programme must focus upon projects that are supporting one of the four key priority areas that are listed below. You will be asked to explain how your activities relate to the funding priority:

AYCF Funding Priorities
Health and Wellbeing
Education and Employment
Shelter and Housing
Nature and Conservation

Project Summary (Max 300 words)	
<p>You will be asked to tell us about the project, what it aims to achieve, what it will do, the difference it will make, and who will benefit, etc.</p> <p>This will be the main section we will use to assess the project, so make sure you really 'sell' it!</p>	

Project Cost	
You will be asked, how much funding is the organisation seeking? (Grants available between £250 and £2,500)	
And if this grant request part of a larger project?
