

Have You Seen These Fish?

The **Yellow Fish** campaign is raising awareness of the pollution in our rivers and promoting ways we can all prevent it

- **DON'T** dispose of chemicals, paints, fats or oils down the sink, toilet or drain
- **DON'T** drop litter in the street or near surface water drains
- **DO** use environmentally-friendly cleaning products
- **DO** use eco car shampoo or a designated car wash*
- **DO** spread the word!
➔ **Help protect our rivers!**

Look out for
the yellow fish
by the drain

Remember that
Only Rain Goes Down the Drain

*Harsh chemicals harm your vehicle, your health, and the environment
