BEACONS

Delivered by Groundwork
Northern Ireland since 2008

Designed by Groundwork
Northern Ireland, Beacons provide
a safe, environmentally clean
alternative to traditional bonfires.

Beacons are ideal for
community events,
celebrations, parties at any
time of the year.

BEACONS

Measuring 5 metres in height, the steel structure is pre-filled with carbon neutral willow wood

The Beacon stands on a bed of sand, protecting the surfaces of roads, car parks or grass

Rental includes installation and removal of the Beacon, lighting equipment, signage and fire risk assessment

How does it work?

- Order your Beacon hire from Groundwork NI
- Receive a site survey & fire risk report
- The Beacon is installed before your event
- You receive a Beacon lighting kit
- Enjoy your Beacon during your celebration event
- The Beacon is deconstructed and taken away

"We had a great time and as ever the Beacon played an integral role in our event. Thank you again for your professional service."
- Downpatrick Community Collective,
Halloween Celebration
