

# Fairy tea party

**Throw a tea party for elves and fairies living in the woods!**

Look around for fallen flowers, twigs, leaves and other tiny treasures you could use to make:

Delicious food that fairies and elves might like to eat

A miniature table

Decorations for the party – ivy makes great bunting

Tiny plates and bowls

Teeny cutlery

Petite drinking goblets with dew for them to drink

Share photos of your fairy feast

How about adding small seating and a little tablecloth?

Woodland elves and fairies are very secretive, so they probably won't show up until you go home!

Feel free to copy and share this for personal and educational use – and don't forget there are loads more brilliant activities to download on our website!
