

Nature art

See what you can find in your local park and get creative to make a nature picture.

Leaves, twigs, bark can all be used to create a fantastic collage picture!

Teddy bears picnic

Why not take your teddy to the local park and have a teddy bears picnic! You can show your ted all of the fun things to do at the park.

Going on a bug hunt

See how many different types of bugs and insects you can find in your local park.

Count up how many you see on a tally chart.

Nature obstacle course

Use the trees and bushes to create a natural obstacle course in your local park.

See how long it takes you to complete the course and try to beat your time.

Hide and Seek

This great game is made more fun in an outdoor area, with lots of natural places to hide behind big trees and long grasses.

**Five ways to
get creative
in your park!**
