

Islington Greener Together Champions

Dear Islington Greener Together Champions,

Thank you, for your incredible dedication to making Islington greener and more vibrant over this last year.

Your efforts in planting, caring, and building connections have strengthened our community. Together, you've created spaces that inspire and bring people closer and we're grateful for your passion and commitment to the borough.

We look forward to seeing you at more champion events in the new year!

Best wishes, IGTC Team

What's coming up in 2025?

If you represent an Islington Greener Together new site, we really do hope you'll prioritise attending the required **Practical Maintenance Training** (see dates below).

This training will ensure you have everything in place to be up and running quickly once your new green space is built. Whether your site is in a housing or highways location, the training will assist you to be confident in managing other volunteers to share the load, know where to get help and understand where responsibility lies to make sure your green lung gets all the tender loving care and attention it deserves.

We have 2 sessions, on [Tuesday 11th February](#) and [Saturday 1st March](#). Please book a place today.

For all other training and events coming up in 2025, including more Champion Network Sessions (our regular online get-togethers for all Champions), and our next Green Lung Walk (back by popular demand!), see our [Champions Calendar!](#)
