Are you ready to be part of something extraordinary?

At Groundwork, we're not just a charity – we're a movement for positive change, and we are delighted that you are interested in joining us.

Groundwork was created in the early 1980s, during a time of social and economic crisis. The world may have changed a great deal since then, but our purpose and our work has never been more relevant, as we continue to provide a beacon of hope during times of uncertainty.

Making a difference isn't just our goal, it's very the reason we exist. Imagine helping people who have become isolated to regain their confidence and get into jobs and training, or supporting families struggling with rising bills, or empowering communities to tackle climate change head-on. That's what we do at Groundwork. We are changing places and changing lives – every day.

But we can't do it alone. We need passionate individuals who share our values and our commitment to positive change. We are committed to diversity and we also believe that people with lived experience of the challenges facing the communities we serve are part of the solution. So, whether you're just starting out in your career, or looking to take your next step, we want to hear from you.

Join our growing team, where collaboration, learning, and personal growth are not just encouraged – they're celebrated. With excellent working conditions and an inclusive and supportive environment, Groundwork is more than a job; it's a journey of development, discovery and impact.

I hope this insight into Groundwork makes you excited about the opportunity to work with us and becoming part of something truly special.
